Seller: Ed Fitzpatrick Estate

Auctioneer Notes: Ed tragically passed away and his entire estate is being sold. Ed was a huge collector & purchased unbelievable amounts of tools, antiques, outdoor items and anything else he desired. This is the largest estate auction I have had in over 35 years. A very large amount of quality items will be sold. We will run two rings on Saturday. One ring will concentrate on tools. The second ring will sell farm items, lumber and numerous items stored in sheds so plan accordingly. There will be many surprise items as things are piled high & deep! Lunch will be available.

Terms: Cash or good check with photo ID. All items must be paid for before removal. Not responsible for accidents or theft. Announcements made day of sale take precedence over printed material.
